

Production Operative

This is an excellent opportunity for a Production Operative to join our team. The duties include but are not limited to the following:

- Operating a range of machinery, battery-powered tools, and hand tools
- Assembling and installing insulated panels and components into vehicles
- Working as part of a team to create bespoke, customer-specific solutions
- Delivering a high standard of work whilst ensuring deadlines are met
- Supporting a variety of projects and vehicles throughout the production process
- Securing components to vehicles
- Ability to read and understand vehicle specifications and CAD drawings
- Using sealants and adhesives to complete vehicle finishes
- Working across various projects and vehicles throughout the production process
- Quality checking completed work
- Comply with all Health & Safety requirements and standards

Skills and Experience:

- Ability to work to deadlines
- Confident working independently
- Ability to use a variety of tools
- Strong attention to detail and pride in workmanship
- Willingness to learn new skills
- Correct use of PPE
- Ability to multitask and work effectively in a fast-paced environment
- Responsibility for maintaining a clean, safe, and organised workspace
